

30 Years of Top of the Mountain Concerts – Ischgl celebrates with Dimitri Vegas & Like Mike

Pulsating beats, an exuberant crowd and a stage at 2,320 metres above sea level: On 1 May 2025, Ischgl set a musical highlight with the “Top of the Mountain Special” featuring Dimitri Vegas & Like Mike, as part of the anniversary celebrations “30 Years T.O.M.”. The Belgian DJ duo transformed the legendary Ischgl Stage into a dancefloor of superlatives, thrilling thousands with an electrifying performance in the heart of the Silvretta Arena.

Famous for performing on the world’s biggest festival stages, the two brothers delivered a high-energy show that combined beats, visuals and pyrotechnics into an explosive overall experience. The spring sun was shining, the bass echoed through the mountains and 15,000 winter sports enthusiasts enjoyed a soundscape normally reserved for the world’s largest music festivals. Once again, this event proved that Ischgl remains in tune with the times thanks to its remarkable musical intuition.

Electronic state of emergency in the Alps

Dimitri Vegas & Like Mike presented a fully electronic line-up. The set by the artists, who have twice been crowned “#1 DJs of the World”, was met with euphoric cheers from the audience. The soundtrack: globally popular tracks such as “The Hum”, “Mammoth” and “Instagram”. The production: an audio-visual spectacle of sun, snow and sonic thunder.

Strong support: MATTN and Joel Corry complete the line-up

From 1:00 p.m., MATTN warmed up the crowd. The Belgian DJ, known for her powerful sets ranging from festival anthems to club sounds, provided the perfect warm-up with popular tracks like “Girly Wanna Have Fun”. After the headline act by Dimitri Vegas & Like Mike, Joel Corry took to the decks from 3:45 p.m. onwards. The British chart-topper – known for hits such as “Head & Heart” – brought an infectious blend of pop, house and summery vibes to the stage for the cool-down. Together with the headliner, these two acts formed a dynamic, fast-paced concert package that captured the spirit of the moment.
